

FOR IMMEDIATE RELEASE

MURRAY, UT, August, 2017/ -- Desert Star Playhouse, the theatre that's built a reputation for producing laugh-out-loud, family-friendly musical comedies, continues its 2017 season with a new and hilarious adventure over the rainbow in "Wicked-er! We're Off to See the Wicked!" The show opens Thursday, August 24th.

What do you get when Lady Gaga drops in on the Wicked Witch of the West? More laughs than a barrel full of flying monkeys! In the year 2025, Lady Gaga has joined the ranks of celebrity has-beens, doomed to a life of hosting game shows, but when a special effects mishap whisks her away to the magical land of Oz, she has a new shot at fame. After a hearty welcome from the Munchkins, Alphabette—the Wicked Witch of the West—arrives on the scene, swearing vengeance on all those responsible for the death of her sister. With that, Gaga and her gang of misfits set off down the yellow brick road to find the Wizard and save Oz from the wrath of the witch!

Originally written by Ben E. Millet and updated for 2017 by director, Scott Holman: Wicked-er runs from August 24 to November 4, 2017

The evening also includes another of Desert Star's signature musical olios following the show. The *Monster Mash Olio* will feature spooko classics and some scary new tunes with a hilarious Desert Star twist!

Desert Star audiences can enjoy gourmet pizza, fresh wraps, burgers, scrumptious desserts, and other finger foods as well as a full selection of soft drinks and smoothies while they watch the show. Food is available from an á la carte menu and is served right at your table.
