

FOR IMMEDIATE RELEASE

Desert Star's latest parody takes on the animated phenomenon that has everyone saying, "Just *let it go* already!" This zany parody opens March 28<sup>th</sup> and it's a hilarious musical melodrama for the whole family you don't want to miss!

This show, written by Bryan Dayley and directed by Scott Holman, follows the story of sisters Stella and Hannah, the orphaned rulers of Icydale, as they attempt to come to terms with Stella's icy powers. When the kingdom holds a royal coronation to make Stella queen, who should show up but Stella's lying, villainous ex-boyfriend, Chaunce. Recently kicked out of his parent's basement and eager to cash in on some royal wealth, Chaunce tricks naive Hannah into believing he's the love of her life, and the two make plans to wed. Quick to put their plans on ice, Stella kidnaps Chaunce and drags him off to a remote ice castle. Hannah enlists the help of snow cone salesman Gristoph, his trusty sidekick, Moose, and freshly sentient snowman, Olive. Together, can they save her sister from slipping off the deep end? Comedy, romance, and adventure are all on the docket for this delightful send up of the animated blockbuster, as well as topical humor torn from today's headlines.

"Freezin'" runs March 28<sup>th</sup> through June 8<sup>th</sup>, 2019. The evening also includes one of Desert Star's side-splitting musical olios, following the show. *The "Saved by the 90's Olio"* features hit songs and musical steps from 1990's mixed with more of Desert Star's signature comedy.

Food is available from an á la carte menu and is served right at your table. There is also a full service bar. The menu includes gourmet pizza, fresh wraps, appetizers, and scrumptious desserts.
