

FOR IMMEDIATE RELEASE

Desert Star speeds into 88 Miles of Laughter with our musical melodrama filled with hilarious heroics. Join us for BACK FROM THE FUTURE.

Written by Ed Farnsworth, with updates by director Todd Michael Thompson, our story begins when average teen Marvin McFlea realizes life would be so much better if his parents were rich and famous. Marvin travels back in time to the totally awesome year of 1985, but his meddling upsets the space/time continuum. With help of Doc Emma Braun, he must battle an evil tetherball coach, Coach Strictman, along with his father's nemesis: Buff Tanman. It's 88 Miles of Laughter!

"Back from the Future" runs March 23 through June 3, 2023. The evening also includes one of Desert Star's comical musical olios, following the show. The "Everything '80s Olio" features some truly outrageous tunes.

Food is available from an à la carte menu and is served right at your table. There is also a full service bar (minus Mondays and matinees). The menu includes gourmet pizza, burgers, fresh salads, and scrumptious desserts.
